PROCEEDINGS of the IOCV

- SHOUKRIYA EL-ATTAR, Plant Pathology Section, Ministry of Agriculture, Post Office, Orman, Egypt, U.A.R.
- M. T. EL-BANNA, Plant Pathology Section, Ministry of Agriculture, Post Office, Orman, Egypt, U.A.R.
- TAUBA G. FASSA, Instituto Biológico, São Paulo, Brazil
- A. W. FELDMAN, University of Florida, Citrus Experiment Station, Lake Alfred, Florida
- M. V. FERNÁNDEZ VALIELA, Estación Experimental Agropecuaria Delta del Paraná (I.N.T.A.), Campana, Argentina
- J. L. FOGUET, Estación Experimental Agrícola, Tucuman, Argentina
- C. FORTUGNO, Estación Experimental Agropecuaria San Pedro (I.N.T.A.), Argentina
- E. F. FROLICH, University of California, Los Angeles, California
- D. C. GIACOMETTI, Department of Horticulture, Brazilian Ministry of Agriculture, Rio de Janeiro, Brazil
- O. GINSBURG, The National and University Institute of Agriculture, Rehovot, Israel
- EUSEBIO GONZALEZ-SICILIA, Estación Naranjera de Levante Burjasot (I.N.I.A.), Valencia, Spain
- R. GOREN, Faculty of Agriculture, The Hebrew University of Jerusalem, Rehovot, Israel
- T. J. GRANT, Crops Research Division, Agricultural Research Service, U.S. Department of Agriculture, Orlando, Florida
- R. W. HANKS, Citrus Experiment Station, Lake Alfred, Florida
- M. K. HARJUNG, University of California, Riverside, California
- I. HOSEIN, University of the West Indies, St. Augustine, Trinidad, W.I.
- A. JARDENY, Faculty of Agriculture, The Hebrew University of Jerusalem, Rehovot, Israel
- R. E. JOHNSON, Crops Research Division, Agricultural Research Service, U.S. Department of Agriculture, Orlando, Florida
- KUNIHEI KISHI, National Horticultural Research Station, Hiratsuka City, Kanagawa Pref., Japan
- E. W. KITAJIMA, Secção de Virologia, Instituto Agronômico, Campinas, S.P., Brazil
- L. E. KOPP, Crops Research Division, Agricultural Research Service, U.S. Department of Agriculture, Orlando, Florida
- G. MAJORANA, Istituto di Patologia Vegetale, Università di Catania, Catania, Italy
- FRANCISCO MARTI, Estación de Fitopatología de Levante (I.N.I.A.) Burjasot, Valencia, Spain
- A. L. MARTINEZ, University of California, Riverside, California
- S. P. MONSELISE, Faculty of Agriculture, The Hebrew University of Jerusalem, Rehovot, Israel
- SYLVIO MOREIRA, Instituto Agronômico, Campinas, S.P., Brazil
- R. P. MOUSQUES, Estación Experimental de Citricultura, Salto, Uruguay
- G. W. MÜLLER, Secção de Virologia, Instituto Agronômico, Campinas, S.P., Brazil
- J. T. NAKADAIRA, Instituto Biológico, São Paulo, Brazil
- GERALD G. NORMAN, Florida Department of Agriculture, Division of Plant Industry, Winter Haven, Florida
- FARID NOUR-ELDIN, Plant Pathology Section, Ministry of Agriculture, Post Office, Orman, Egypt, U.A.R.

## CONTRIBUTORS
